### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees St. Boniface Haiti Foundation d/b/a Health Equity International Newton, Massachusetts

#### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of St. Boniface Haiti Foundation d/b/a Health Equity International as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of St. Boniface Haiti Foundation d/b/a Health Equity International and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Boniface Haiti Foundation d/b/a Health Equity International's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government* Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Boniface Haiti Foundation d/b/a Health Equity International's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Boniface Haiti Foundation d/b/a Health Equity International's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

<sup>&</sup>quot;Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. #### **Report on Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2023, on our consideration of St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International's internal control over financial reporting and compliance in accordance with Government Auditing Standards in considering St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International's internal control over financial report is an integral part of an audit performed in accordance with Government Auditing Standards in considering St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International's internal control over financial reports in ternational's internal control over financial reports financial reports and compliance.

### NOTE 1. ORGANIZATION

St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International (the "Organization") is a Massachusetts incorporated nonprofit entity dedicated to providing high quality healthcare services to the people of southern Haiti through community-based preventive and clinical care. The Organization also works toward broader improvement and sustainability of quality healthcare in Haiti through programs such as the training of local health practitioners, disaster response, and partnering for impact with local and global health organizations. The Organization supports and operates St. Boniface Hospital located in Fond des Blancs, Haiti, a satellite clinic in Villa, Haiti and various community-based health programs in the region.

#### NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

#### Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

#### Financial Statement Presentation

The Organization follows the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Subtopic *Presentation of Financial Statements of Not-for-Profit Entities*. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

*Net assets without donor restrictions* - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of trustees.

*Net assets with donor restrictions* - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor had stipulated the funds be maintained in perpetuity.

#### Measurement of Operations

The Organization's operating revenue and expenses consist of those items attributable to the Organization's ongoing services and activities. Non-operating activities include gains or losses on foreign exchange rate currency conversions that do not directly relate to the Organization's general programs.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Concentration of Credit Risk

Cash and cash equivalents include cash on hand, demand deposits, and highly liquid investments with original maturities of three months or less. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federal insured limits. The Organization has not experienced any losses in such accounts and management believes the Organization is not exposed to any significant credit risk on cash and cash equivalents. Nevertheless, the Organization has taken steps to strengthen its risk management practices by diversifying its cash and cash equivalent holdings. The Organization has a relationship with Bank of America/Merrill Lynch to access the institution's global treasury management tools enabling better risk control over global transactions, including foreign currency purchases and electronic funds transfers. At June 30, 2022 and 2021, cash held in foreign bank accounts totaled \$138,084 and \$267,949, respectively.

#### Grants and Contracts Receivable

Grants and contracts receivable are carried at the original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Management determines the need for an allowance by identifying troubled accounts and by using historical experience applied to an aging of accounts. Grant and contracts receivable are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. At June 30, 2022 and 2021, management believes all outstanding receivables are collectible in full and therefore no allowance for doubtful accounts was recorded.

#### Inventory

Inventory consists of medicine and pharmacy supplies. Inventory is stated at the lower of cost or net realizable value. Cost is determined on the first-in, first-out ("FIFO") method.

#### Property and Equipment

Property and equipment are recorded at cost or fair value, if received by donation. The Organization capitalizes expenditures for property and equipment in excess of \$1,000. Expenditures for major improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Depreciation of property and equipment is computed on a straight-line basis over the estimated useful lives of the assets which are as follows:

Description	<u>Years</u>
Buildings and leasehold improvements	5 - 30
Furniture and equipment	3 - 10
Vehicles	3

#### Construction in Progress

Property and equipment includes construction in progress on certain projects which have not yet been completed or placed in service (Note 5).

### NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Valuation of Long-Lived Assets

The Organization's long-lived assets are reviewed for impairment in accordance with the guidance of the FASB ASC Topic *Property, Plant, and Equipment,* whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of the long-lived asset is measured by a comparison of the carrying amount of the asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the estimated fair value of the assets. Assets to be disposed of are reportable at the lower of the carrying amount or fair value, less costs to sell. At June 30, 2022 and 2021, management has determined that long-lived assets are not impaired.

#### Investments

Investments in marketable securities with readily determinable fair values are reported at their fair values. Investment income and investment gains and losses are reported as increases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or law.

#### Fair Value Measurement

The Organization follows the provisions of the Fair Value Measurements Topic of the FASB ASC. This Topic clarifies that fair value is an exit price representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The Topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. Determining where an asset or liability falls within that hierarchy depends on the lowest level input that is significant to the fair value measurement as a whole. The three levels of the fair value hierarchy are described below.

**Level 1** – Quoted prices that are available in active markets for identical assets or liabilities. The types of financial instruments included in Level 1 are marketable equity securities that are traded in an active exchange market.

Level 2 – Pricing inputs other than quoted prices in active markets, such as quoted prices for similar assets or liabilities on active markets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 includes assets and liabilities whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

## NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value, as well as the general classification pursuant to the valuation hierarchy. There have been no changes in the methodologies used at June 30, 2022 and 2021.

- Money market funds, exchange traded funds, mutual funds, preferred stock, and common stock have been reported in the financial statements at fair value. The fair value of these securities is based upon quoted prices from an active market and are therefore categorized in level 1.
- *Bonds* have been reported in the financial statements at fair value. The fair value of these securities is estimated using recently executed transactions or market price quotations. These securities are categorized in level 2 as significant inputs are observable.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the certain financial instruments could result in a different fair value measurement at the reporting date.

#### Endowment

The Organization's endowment consists of donor-restricted funds. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the board of trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law - The Organization manages its endowment consistent with the Massachusetts Act, the Uniform Prudent Management of Institutional Funds Act ("UPMIFA").

Return objectives and risk parameters - The Organization has adopted investment and spending policies for endowment assets that attempt to pursue a strategic investment plan that, over the long term, is expected to enhance the real purchasing power of the Organization's assets while not impairing its ability to meet current obligations. Endowment assets represent board-designated funds and donor restricted funds for financial statement purposes. Under this strategy, as approved by the board of trustees, the endowment assets are invested in a manner that is intended to produce results that compare favorably with the results achieved by investment managers of endowment funds with similar investment objectives while assuming a moderate level of investment risk. Actual returns in any given year may vary.

#### NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Endowment (continued)

*Strategies employed for achieving objectives* - To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending policy and how the investment objectives relate to spending policy - The Organization currently reinvests all earnings of the endowment assets. Any expenditures from the endowment assets must be supported by the board of trustees and be consistent with the intent of the donors and the board designation for that fund. This is consistent with the Organization's objective to ensure that the future growth of the endowment assets is sufficient to offset normal inflation plus reasonable spending, thereby preserving the constant dollar value and purchasing power of the endowment assets held for future operations as well as to provide additional real growth through new gifts and investment return. Board designated funds that are included in net assets without donor restrictions are designated by the board of trustees to support emergency needs and general operations of the Organization. The income and the appreciation earned on the funds that are donor restricted in perpetuity is available for a medical scholarship program.

#### Revenue Recognition

Revenue is reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

#### Contributions and Grants

Contributions, including unconditional promises to give, are recognized as revenues in the period the promise is received. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Contributions of assets other than cash are reported at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved. Amortization of the discount is recorded as additional contributions. No discount was recorded at June 30, 2021 as the amount of the calculated discount was immaterial to the financial statements as a whole. Grants and contributions received with donor-imposed or grantor-imposed restrictions that are fulfilled in the same year as received are reported as support without donor restrictions.

## NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Contributions and Grants (continued)

Contributions of land, buildings, and equipment without donor stipulations concerning the use of such long-lived assets are reported as revenues without donor restrictions. Contributions of cash or other assets to be used to acquire land, buildings and equipment with donor stipulations are reported as revenues with donor restrictions; the restrictions are considered to be released at the time the long-lived assets are placed in service.

Contributions of services are reported as revenues and expenses without donor restrictions at the fair value of the services received only if the services create or enhance a non-financial asset or would typically need to be purchased by the Organization if they had not been provided by individuals with those skills. Contributions of goods are reported at fair value as revenues and expenses without donor restrictions at the time the goods are received.

A portion of the Organization's revenue is derived from cost-reimbursable and/or unitrate federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures or provided the related services in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures or providing the related services are reported as refundable advances in the accompanying statements of financial position.

#### Foreign Currency Translation

Assets and liabilities denominated in foreign currencies are translated into U.S. dollars at the effective date of the reporting period. A gain or loss occurring from a transaction in a foreign currency is recognized as of the date the transaction occurs. Net transaction and translation gains and losses are included in the accompanying statements of activities and changes in net assets in the non-operating revenue and expense section as foreign currency exchange gain or loss.

#### Income Taxes

The Organization is qualified under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from Federal and state income taxes. The Organization accounts for uncertain tax positions in accordance with FASB ASC Topic *Income Taxes*. This Topic prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in a tax return. The Topic also provides guidance on recognition, derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. At June 30, 2022 and 2021, management believes that the Organization has no material uncertain tax positions. The Organization files information tax returns as required by the Code in Federal and Massachusetts jurisdictions.

### NOTE 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

#### Functional Expenses

Functional expenses are allocated to the various programs based on direct expenses, which can be identified to the program, and indirect expenses, which are beneficial to more than one program. The indirect expenses, such as salaries and related expenses, are allocated on the basis of time and effort. Expenses such as depreciation, rent, and travel are allocated based on square footage and mileage.

#### Recently Adopted Accounting Pronouncement

In-kind Contributions - In September 2020, FASB issued Accounting Standards Update ("ASU") No. 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Notfor-Profit Entities for Contributed Nonfinancial Assets ("ASU 2020-07"), which is intended to increase the transparency of contributed nonfinancial assets for not-for-profit entities through enhancements to presentation and disclosure. This ASU is effective for annual periods beginning after June 15, 2021, and the Organization has adopted the amendments on a retrospective basis during the year ended June 30, 2022. The Organization has determined that the application of the amendments of ASU 2020-07 did not have a material impact on the Organization's financial statements and related disclosures.

#### Recently Issued But Not Yet Effective Accounting Pronouncements

Leases - In February 2016, the FASB issued ASU No. 2016-02, Leases ("ASU 2016-02"). This update requires all leases with a term greater than 12 months to be recognized on the statement of financial position through a right-of-use asset and a lease liability and enhanced disclosures regarding the amount, timing, and uncertainty of cash flows arising from leases. In July 2018, the FASB issued ASU No. 2018-10, Codification Improvements to Topic 842 and ASU No. 2018-11, Leases: Targeted Improvements which provided narrow amendments to clarify how to apply certain aspects of the new leases standard and options regarding transition. The standard requires either a modified retrospective transition approach with application in all comparative periods presented, or an alternative transition method, which permits the Organization to use its effective date as the date of initial application without restating the comparative period financial statements and recognizing any cumulative effect adjustment to the opening statement of financial position. In June 2020, the FASB issued ASU No. 2020-05 Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842). ASU 2020-05 amended the effective date for ASU 2016-02 and related amendments. ASU 2016-02, as amended, is effective for fiscal years beginning after December 15, 2021. The Organization is evaluating the effect that ASU 2016-02 will have on its financial statements and related disclosures.

#### Subsequent Events

The Organization has evaluated all events subsequent to the statement of financial position date of June 30, 2022, through the date which the financial statements were available to be issued, March 7, 2023, and has determined that there are no subsequent events that require disclosure under FASB ASC Topic *Subsequent Events*.

## NOTE 3. <u>AVAILABILITY AND LIQUIDITY</u>

The following represents the Organization's available financial assets as of June 30, 2022:

Cash	\$ 3,382,820
Grants and contracts receivable	1,181,576
Contributions receivable	3,250
Investments	 2,807,326
Total financial assets available	7,374,972
Less financial assets with donor restrictions	 (333,000)
Financial assets available to meet cash needs for general expenditures within one year	\$ 7,041,972

The Organization's goal is to maintain readily available financial assets to meet two months of operating expenses. The Organization has a line of credit available to meet cash flow needs with maximum borrowings of \$350,000 (Note 8). As part of management's liquidity plan, cash is maintained in checking and savings accounts and is readily available for use, with investments available for liquidation with board approval.

## NOTE 4. <u>CONTRIBUTIONS RECEIVABLE</u>

The expected collection period for contributions receivable consisted of the following as of June 30:

	2	2022	<u>2021</u>
Receivable in less than one year Receivable in one to five years	\$	3,250	\$ 1,500 20,000
Gross contributions receivable	\$	3,250	\$ 21,500

There has been no discount recorded on long-term receivables as the amount is nominal for the year ended June 30, 2021.

## NOTE 5. <u>PROPERTY AND EQUIPMENT</u>

Property and equipment consisted of the following as of June 30:

	<u>2022</u>		<u>2021</u>
Land	\$ 228,560	\$	228,560
Buildings and leasehold improvements	6,815,747		6,815,747
Furniture and equipment	3,328,653		3,291,948
Vehicles	1,484,026		1,307,132
Construction in progress	 180,000	_	-
	12,036,986		11,643,387
Less accumulated depreciation	 6,261,246	_	5,825,729
Property and equipment, net	\$ 5,775,740	\$_	5,817,658

## NOTE 5. <u>PROPERTY AND EQUIPMENT (CONTINUED)</u>

Construction in progress consists of construction costs for rebuilding of the clinic in Haiti after damage caused by the earthquake in 2022. The project is expected to be completed in fiscal year 2024.

## NOTE 6. FAIR VALUE MEASUREMENT

The following fair value hierarchy table presents information about the Organization's investments measured at fair value on a recurring basis as of June 30, 2022:

	Level 1	Level 2	Level 3	Total
Money market funds	<u>\$ 427,485</u>	\$	\$ <u> </u>	\$ <u>427,485</u>
Bonds:				
Corporate	_	190,672	_	190,672

#### NOTE 7. <u>ENDOWMENT</u>

Endowment net asset composition by type of fund as of June 30:

	<u>2022</u>	<u>2021</u>
Donor restricted endowment funds	\$ 100,000	\$ 100,000
Total funds	\$ 100,000	\$ 100,000

# NOTE 7. ENDOWMENT (CONTINUED)

Changes in endowment net assets with donor restrictions for the year ended June 30:

	<u>2022</u>		2021	
Endowment net assets, beginning of year	\$ <u></u>	100,000	\$	100,000
Investment return:				
Investment income, net		-		4,703
Net appreciation (depreciation)				
(realized and unrealized)				14,600
Total investment return (loss)		-		19,303
Other changes:				
Endowment appropriation		-		(19,303)
Total other changes		-		(19,303)
Endowment net assets, end of year	\$	100,000	\$	100,000

## NOTE 8. <u>LINE OF CREDIT</u>

The Organization has a line of credit with a maximum borrowing limit of \$350,000 and expires on December 31, 2023. Interest is payable at the LIBOR rate (1.45% and 0.09% at June 30, 2022 and 2021, respectively). At June 30, 2022 and 2021, there was no outstanding balance on the line of credit.

## NOTE 9. <u>IN-KIND CONTRIBUTIONS</u>

The Organization received \$935,463 and \$494,711 of in-kind contributions for the years ended June 30, 2022 and 2021, respectively. The following is a summary of the sources of income and the categories of expenses and assets of the in-kind contributions:

	2022	<u>2021</u>
Income received:		
Medicine/food/supplies	\$ 935,463	\$ 404,187
Property and equipment	 -	 <u>90,524</u>
Total in-kind contributions received	\$ 935,463	\$ 494,711
Expenses reported:		
Medicine/food/supplies	\$ 935,463	\$ 404,187
Total in-kind expenses reported	 935,463	 404,187
Assets reported:		
Property and equipment	 	 90,524
Total in-kind assets reported	 -	 90,524
Total in-kind expenses and assets reported	\$ 935,463	\$ 494,711

### NOTE 9. IN-KIND CONTRIBUTIONS (CONTINUED)

Donations of supplies and assets are valued at the estimated price of identical or similar products using pricing data under a "like-kind" methodology considering the goods' condition and utilities for use at the time of contribution.

The recorded amounts are classified as in-kind contributions in the accompanying statements of activities and are allocated to the appropriate line item based on type of donation within the statements of functional expenses.

#### NOTE 10. <u>LEASE COMMITMENT</u>

The Organization has a five year lease agreement for office space in Newton, Massachusetts which expires on September 1, 2023.

Total minimum future lease payments under the operating lease are as follows:

Fiscal Year	4	Amount		
2023 2024	\$	99,345 16,650		
2024	\$	115,995		

Lease expense for the years ended June 30, 2022 and 2021 totaled \$100,118 and \$96,055, respectively.

## NOTE 11. <u>RELATED PARTY TRANSACTIONS</u>

A board member of the Organization is also a board member of Build Health International ("BHI"), a nonprofit organization, which provided services in connection with the initial work on solar and oxygen additions at the hospital in Haiti during the year ended June 30, 2022, and improvements to the septic system, also located at the hospital, during the year ended June 30, 2021. BHI also supplies goods and services related to general repairs and maintenance of properties owned and operated by the Organization in Haiti. Services provided by BHI totaled \$252,275 and \$199,375 for the years ended June 30, 2022 and 2021, respectively.

The Organization also directly reimbursed BHI for customs fees and other purchases upon request. These expenses totaled \$375,979 and \$244,426 for the years ended June 30, 2022 and 2021, respectively.

#### NOTE 12. <u>NET ASSETS WITH DONOR RESTRICTIONS</u>

Net assets with donor restrictions that are temporary in nature consisted of the following as of June 30, 2022 and 2021:

	2022	<u>2021</u>
Time restricted	\$ 233,000	\$ 755,000
Total net assets with donor restrictions	\$ 233,000	\$ 755,000

The Organization also has net assets with donor restrictions that are perpetual in nature, for which the income and the appreciation earned is available for a medical scholarship program. Net assets with perpetual donor restrictions totaled \$100,000 at June 30, 2022 and 2021 (Note 7).

### NOTE 12. <u>NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)</u>

Net assets released from donor restrictions by incurring expenses or costs satisfying the restricted purposes or by occurrence of events specified by the donors consisted of the following for the years ended June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Time restrictions	\$ 755,000	\$ 95,000
Education programs	 -	 41,958
Net assets released from donor restrictions	755,000	136,958
Endowment appropriation	 -	 19,303
	\$ 755,000	\$ 156.261

## NOTE 13. <u>RETIREMENT PLAN</u>

The Organization has a qualified defined contribution retirement plan ("the Plan") for all eligible employees. The Plan is designed in accordance with the provisions of Section 401(k) of the Internal Revenue Code. Contributions are made by the Plan participants based on participant elections. Under the plan, employees may contribute up to the IRS indexed maximum amount for each calendar year. In addition, the Organization may make matching contributions to the plan at the discretion of the board of trustees. During the years ended June 30, 2022 and 2021, the Organization made \$56,922 and \$48,720 in contributions to the Plan, respectively.

## NOTE 14. PAYCHECK PROTECTION PROGRAM

#### First Draw Loan

In April 2020, the Organization received loan proceeds of \$248,270 under the Paycheck Protection Program ("PPP"). The Organization applied for PPP loan forgiveness and received approval from the Small Business Administration ("SBA") in March 2021.

#### Second Draw Loan

In March 2021, the Organization received loan proceeds of \$248,270 under the Paycheck Protection Program Second Draw Loans ("PPP SD"). The PPP SD, which was established as part of the CARES Act, provides for loans to qualifying businesses for amounts up to 2.5 times certain average monthly payroll expenses of the qualifying business. The loan and accrued interest, or a portion thereof, may be forgiven after 24 weeks so long as the borrower uses the loan proceeds for eligible purposes including payroll, benefits, rent, mortgage interest and utilities, and maintains its payroll levels, as defined by the PPP SD. At least 60% of the loan proceeds must be spent on payroll costs, as defined by the PPP SD loan forgiveness.

## NOTE 14. PAYCHECK PROTECTION PROGRAM (CONTINUED)

U.S. GAAP does not contain authoritative accounting standards for forgivable loans provided by governmental entities. Absent authoritative accounting standards, interpretative guidance issued and commonly applied by financial statement preparers allow for the selection of accounting policies amongst acceptable alternatives. Based on the facts and circumstances, the Organization has determined it most appropriate to account for the PPP loan proceeds under the conditional contribution model within ASC 958-605. Under the conditional contribution model, the Organization recognizes the proceeds received as a refundable advance, and subsequently recognizes grant revenue as the conditions are met. Conditions are deemed to be met as the allowable expenses are incurred. The Organization deemed the conditional contribution model to be the most appropriate accounting policy for this arrangement based on the nature of the PPP loan program. The Organization recognized \$248,270 in grant revenue under the PPP loan program during the year ended June 30, 2021, which is included in contract and government grants on the statements of activities and changes in net assets. There is no remaining balance from the loan that is recorded as a refundable advance.

The Organization applied for PPP SD loan forgiveness and received approval from the SBA in November 2021.

If is determined that the Organization was not eligible to receive the PPP or PPP SD, or that the Organization has not adequately complied with the rules, regulations and procedures applicable to the SBA's loan program, the Organization could be subject to penalties and could be required to repay the amounts previously forgiven. SUPPLEMENTARY INFORMATION

## ST. BONIFACE HAITI FOUNDATION, INC. D/B/A HEALTH EQUITY INTERNATIONAL SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS (CONTINUED) FOR THE YEAR ENDED JUNE 30, 2022

#### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

#### **Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of St. Boniface Haiti Foundation d/b/a Health Equity International (the "Organization") under programs of the federal government for the year ended June 30, 2022. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of St. Boniface Haiti Foundation d/b/a Health Equity International.

## Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement

## Indirect Cost Rate

The Organization elected to use the 10% deminimis cost rate for its Federal programs.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International Newton, Massachusetts

## Report on Compliance for The Major Federal Program

## **Opinion on The Major Federal Program**

We have audited St. Boniface Haiti Foundation d/b/a Health Equity International's compliance with the types of compliance requirements identified as subject to the audit in the *OMB Compliance Supplement* that could have a direct and material effect on St. Boniface Haiti Foundation d/b/a Health Equity International's major federal program for the year ended June 30, 2022. St. Boniface Haiti Foundation d/b/a Health Equity International's major federal program for the year ended June 30, 2022. St. Boniface Haiti Foundation d/b/a Health Equity International's major federal program for the year ended June 30, 2022. St. Boniface Haiti Foundation d/b/a Health Equity International's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, St. Boniface Haiti Foundation d/b/a Health Equity International complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2022.

## Basis for Opinion on The Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of St. Boniface Haiti Foundation d/b/a Health Equity International and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of St. Boniface Haiti Foundation d/b/a Health Equity International's compliance with the compliance requirements referred to above.

## Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above for the design, implementation, and maintenance of effective internal controls over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to St. Boniface Haiti Foundation d/b/a Health Equity International's federal program.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on St. Boniface Haiti Foundation d/b/a Health Equity International's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about St. Boniface Haiti Foundation d/b/a Health Equity International's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding St. Boniface Haiti Foundation d/b/a Health Equity International's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of St. Boniface Haiti Foundation d/b/a Health Equity International's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of St. Boniface Haiti Foundation d/b/a Health Equity International's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

<sup>&</sup>quot;Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. #### **Report on Internal Control over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance, accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees St. Boniface Haiti Foundation, Inc. d/b/a Health Equity International Newton, Massachusetts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Boniface Haiti Foundation d/b/a Health Equity International (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 7, 2023.

## Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered St. Boniface Haiti Foundation d/b/a Health Equity International's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Boniface Haiti Foundation d/b/a Health Equity International's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Boniface Haiti Foundation d/b/a Health Equity International's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

<sup>&</sup>quot;Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether St. Boniface Haiti Foundation d/b/a Health Equity International's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the St. Boniface Haiti Foundation d/b/a Health Equity International's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the St. Boniface Haiti Foundation d/b/a Health Equity International's internal control and compliance. Accordingly, this communication is not suitable for any other purposes.
